

Scandinavian Association for Language and Culture III (<http://salc3.ku.dk/>)
June 14th—June 16th, 2011.
University of Copenhagen

Gesture session on Tuesday June 14th:

Within and across spaces: Towards multi-dimensional models of gesture space

Organisers:

Irene Mittelberg, RWTH Aachen University
Simon Harrison, RWTH Aachen University

11h30-12h00

The effect of gesture space on the speech – gesture synchrony
Nadia Hamrouni, University of Arizona
Keri Miller, University of Arizona

12h00-12h30

Spatial dimensions as distinguishing parameter of gestural form
Julius Hassemmer, RWTH Aachen University
Irene Mittelberg, RWTH Aachen University

12h30-13h00

How noise levels effect space as a formal parameter of gestural action. Observations from natural and experimental settings.
Simon Harrison, RWTH Aachen University
Sukeshini Grandhi, RWTH Aachen University
Irene Mittelberg, RWTH Aachen University

14h00-14h30

Coordinating and sharing gesture space in collaborative reasoning
Robert F. Williams, Lawrence University

14h30-15h00

Spatial aspects of stancetaking and expressing evaluations. Insights from gestures.
Vito Evola, RWTH Aachen University

15h00-15h30

The art of co-speech gestures: Body-motion explorations of co-speech gestures in multidimensional space
Jean-Rémi Lapaire, Université de Bordeaux 3

15h30-16h00

Gesture space differences in the gestures of future language teachers
Gale Stam, National-Louis University
Marion Tellier, Université de Provence
